

INTRODUCTION

Without a brief unveiling of the origin of this booklet, one cannot fully comprehend and receive the blessing on the following pages.

For us to be celebrating our 50th Wedding Anniversary and writing and releasing a blessing such as this, is truly a miracle that's been in the making for many years. When we entered the state of "marital bliss" 50 years ago, we did all the things the Word and counselors say you shouldn't do! Our lives have been the continual unfolding of God's mercy, His amazing grace, and His faithfulness to two individuals who chose, often reluctantly, to say "yes" to His covenant plan. As a result, He turned our lives upside down, or should we say right side up!

Fifty years later we love each other more than ever, have a heart to see the other partner reach his/her destiny, labor in ministry together, and jointly look for ways to bless and encourage the Body of Christ.

This blessing was birthed from that place of desire to not only walk in covenant but to share it with others. In January of 2014 God began to speak to us about our Jubilee Year and how He desired to use this time of celebration in our lives as a means to bless His Body. The blessing on the following pages is a result of the "Jubilee process" that He's been taking us through.

We pray this will be used of the Lord to open the door of your heart so you can more fully embrace God's Jubilee plan for you through His Son. In turn, may you release it over those you love to see them experience breakthrough and also become His instruments to release freedom and liberty!

Jubilee Blessing for the Body of Christ

In this year of our 50th Wedding Anniversary, our Jubilee Year--2014, we, Roger & Charlotte Merschbrock, declare a "Jubilee Blessing" over the Body of Christ:

Prayer: Father, You have said this is a year for Your Body to awaken to inheritance. We agree with You for the breaking of every hindrance the enemy has set against Your people. As Your Body, we're going to reach back beyond that which was an obstacle, and we're going to call forth the inheritance that You said was ours when you chose us before the foundation of the world in Christ. (Eph. 1:4-6) We're going to come forth into the blessing of this season and this hour. We break the mindset of the orphan spirit that would capture our minds and make us think we do not have a portion. We break that in the spirit, and we thank you for a freedom for inheritance to be opened up and for vision to be made clear, for us to be able to see beyond what we've seen before, to see the limitlessness that You have set before us. We declare that we will walk as fully adopted, engendered sons/daughters of Yours.

Every one of us has evil heritage and righteous heritage. We bless you with grace to lay hold of the heritage that God deposited and placed in your bloodline. According to Psalm 16:5-6, the Lord is your portion and your cup. He maintains your lot and the lines have fallen to you in pleasant places. You have a good inheritance!

According to Leviticus 25:8-17 we proclaim the following: Liberty over you and your family; freedom and the returning of all your possessions; the returning of land and inheritance to you; the returning of those in your family who have been captured and held as slaves of the enemy. Since this is a year of rest and it is holy to you, we declare no toiling or striving. You will eat from what He has provided and recognize your provision. You will taste and see that He is good. (Ps. 34:8) We declare liberty from debt, not just financial debt but any situation where you are held in an indebted state--unforgiveness; subjugation to any person or situation that has held power over you. We declare liberty to discern the sacred from the profane, light from darkness, good from evil.

We bless you with an anointing and obedience to own and steward your inheritance, not negating or despising what God has promised you. We declare you will not follow in the steps of Esau who despised his inheritance!

We bless you with desire to receive and lay hold of the gift of repentance so you can be free of the sin of living in a limited place of failing to possess the inheritance that belongs to you. One of the roots of lost inheritance is unbelief. We bless you with renewed faith to believe, receive, and walk in His promises! Lack of possessing inheritance is also linked with lack of identity. We declare an uncovering of the identity thief who has stolen your identity from you. You thought one thing was your inheritance, but so much more inheritance is still locked up within you--

things that have been hidden from you, things the enemy told you that you couldn't do that you should do and things he said you should do that you shouldn't do. We declare the thief is uncovered, and you are going to see and know who you are. A destiny is being opened that's been hidden; it is now being revealed. We bless you with a heart to see what you've never seen before--to see who you were destined to be in Him. We bless you with vision to see what those things are and the clarity to be able to step into the new place of inheritance as He reveals it to you.

We declare according to Acts 17:26-27 that God has determined your preappointed times and the boundaries of your dwelling so that you might seek Him and find Him. We bless you with wisdom that you will not shift the boundary lines that your godly ancestors established in the spirit. (Proverbs 23:10a) We declare you will honor the ancient markers God established through them. We bless you with His inheritance that allows you to enlarge the place of your tent, the curtains of your habitations stretched out, the lengthening of your cords, and the strengthening of your stakes according to your Father's plan. We declare you will spread abroad to the right hand and to the left; your offspring will inherit the nations and make the desolate cities inhabited. (Isaiah 54:2-3) There is hope in your future that your children shall come back to their own border. (Jeremiah 31:17) We declare that you and your descendants will not cut off the exponential plan that God has for multiplication for your generations. We bless you with staying within those boundary lines so you can receive what God has for you. We declare that any violation of covenant in your bloodline is being dealt with, and there will be a whole new level of unlocking of inheritance. We declare that a key is being released that is unlocking inheritance over you and your descendants, inheritance that has been held back for generations.

He has given you the inheritance of nations. (Psalm 111:6) He said to His Son, "Ask of Me, and I will give You the nations for Your inheritance, and the ends of the earth for Your possession." (Psalm 2:8) This is your inheritance as well! We bless you with vision and wisdom from your Father to know how to partner with Him to unlock inheritance over the nations of the earth!

The Jubilee proclamation that Jesus made in the synagogue of Nazareth recorded in Luke 4:18-19 is the ministry that was passed to you:

"The Spirit of the Lord is upon Me,
Because He has anointed Me
To preach the gospel to the poor;
He has sent Me to heal the brokenhearted,
To proclaim liberty to the captives
And recovery of sight to the blind,
To set at liberty those who are oppressed;
To proclaim the acceptable year of the Lord."

We bless you with remaining open to receive all Jesus has bought and purchased for you with His precious blood so that you can bring Him much joy and glory in the

days ahead! We bless you with embracing the process of continued revelation and release of your inheritance from the Father for the purpose of establishing His covenant in the earth and fulfilling the Great Commission of Matthew 28:19-20. That is the ultimate purpose of obtaining and walking in inheritance!
